

Here's what happens...

A psalmist explores how God's Word is like a light, showing us what path to take. Jesus sums up the two main things God's Word shows us to do: Love God and love others.

Bible Point:

God's Word shows us what to do.

*"Your word is a lamp to guide my feet and a light for my path"
(Psalm 119:105).*

- Everyone will find a hiding spot.
- The Seeker gets to use a flashlight to help look for all the Hiders.
- Play several rounds so everyone can be a Seeker.
- Talk about how the flashlight showed you where to look and how the Bible is like or unlike a flashlight.
